CUSTOMER CARE POLICY

ZAM FM LTD has a straightforward approach to customer care, service and support - essentially, we treat our customers as we would like to be treated ourselves.

- We enjoy good, ongoing working relationships with our clients. Typically, this allows our staff to create friendly and supportive partnerships with all the members of your team.
- Clients are provided with telephone numbers for all key members of the project team, so there is always someone available to talk to you.
- We provide 24/7 helpline for all our customers so that they never feel themselves alone in their Quality Journey.

We'll go the extra mile to ensure that your issues are addressed.

Quality statement

- Through our commitment to quality and customer service we provide a quality front line service to our customers.
- Customers who call our offices will have their telephone calls answered quickly. Personal callers will not be expected to queue for too long and their enquiries will be answered promptly and courteously.
- All of our staff take personal responsibility for ensuring a quality outcome for your project.
- We will provide Standard Service Level Agreements (SLAs) for customer care and complaints and will honor these commitments to our customers.

Access

- Our customers are provided with support by telephone, fax, email and open 24/7.

Support hours

- System Associates support is typically available from 9.00am to 5.30pm, Monday to Friday. This excludes Bank Holidays.
- Customers with a 24/7 contract are provided with an out of hours service.

Targets

Our main customer care targets are to:

- Answer all telephone calls at the first point of contact.
